

“Two Capitals Highway” LLC being the Concessionaire, in the frame of Concession Agreement signed with Russian Federation acting through the “Russian Highways” State Company, operates infrastructure and facilities which help to improve daily life and mobility of people while ensuring high standards in various matters and while maintaining constant dialogue with Stakeholders. For this purpose, the following commitments have been defined:

Operation & Maintenance high standards

Our infrastructure and facilities are of a public interest, that is why we strive to operate and maintain them as efficient as possible. To do so, we strive to use best technologies, materials and practices.

We commit to strive using best technologies, materials and practices in this project framework to ensure close cooperation of all Stakeholders.

Comply with ethical principles

Ethical behavior is the one of the key principles in our daily work. We follow ethical principles in our interactions with all Stakeholders.

We commit to ensure total transparency of our practices and in those of our contractors.

Environmental protection

Care of environment during Operation & Maintenance is an additional priority. We strive to minimize the negative impact of our asset on the environment and therefore we undertake an obligation to protect the environment within the project.

We commit to carry out our activities in compliance with environmental legal requirements, implement and develop an environmental management system, carry out our work with care for the environment and demand the same from our partners within the project.

Health & Safety

We reject the idea that workplace accidents are unavoidable. The management of our company commits to do everything possible to ensure the safety and health of everyone on workplaces and facilities that we operate.

We commit to the zero accident objective.

Providing opportunities for development

We consider long-term relationships as a basis with our Employees, that is why we provide all the necessary opportunities for career and personal development.

We commit to provide opportunities for trainings and development for our Employees in order to promote their sustainable employment.

“I commit to follow these principles and calling on all managers of “Two Capitals Highway” LLC to perform these commitments and put them in the basis of dialogue between management and employees at all levels”
